

MK: Diverse City

Student voice:
Promoting
diversity in our
schools

Led by pupils, this symposium aims to:

- Showcase and celebrate the best practice in diversity and inclusion in our primary and secondary schools
- Share learning opportunities to understand and promote diversity
- Inspire us to take further action individually, as schools, leaders and communities

Target audience: teachers, leaders in education and all who are interested in diversity in education

Wednesday 12 May 16:00 - 17:30

Online event (via Zoom)
